PATENT APPLICATION

Docket No. 02-HK-076

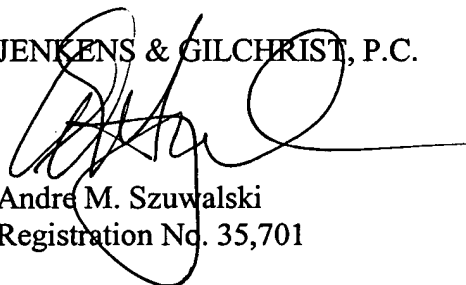

REMARKS

The foregoing amendments are respectfully submitted for entry after allowance pursuant to 37 C.F.R 1.312.

The amendments to the specification are presented to add reference to the acronym (HOL) which refers to the "head of line" packet, correct the brief descriptions of Figures 2 and 3, and clarify the language used to describe the operations illustrated in FIGURE 4. No new matter has been added.

Respectfully submitted,

JENKENS & GILCHRIST, P.C.
